Chippendale Dining Table

Chippendale

A stunning English Rococo leg with high relief shell carving, beading and acanthus leaves terminates in a rare drake foot. Table and leaf aprons have gadroon moulding. Top is Burly Walnut with a Stripey Walnut border. We hand paint a fineline between the border and field. As an alternative it can be made with a Mahogany top with a Satinwood border. Please specify. It comes with three 19" leaves to extend to 135". This table has limited stock.

Wood Species: Walnut
