## French Hunt Table

The Karges French Hunt Table was inspired from a French Regence Library table. This table, crafted from solid Walnut and American Walnut veneers, displays the romantic shape of the French Regence period while crossing into a more relaxed urban luxury design with the plank Walnut top. Especially beautiful with our a la rustica technique finishes (as shown), the Hunt table is available in all Karges Walnut and painted finishes. For larger inlaid top see 724.

## Dimensions

**Width:** 70" (177.8 cm)

**Height:** 40" (101.6 cm)

**Depth:** 27" (68.58 cm)
